*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 311, RSMo, is amended by adding thereto one new section, to be known as section 311.486, to read as follows:

**311.486. 1. The supervisor of alcohol and tobacco control may issue a special license to caterers and other persons holding licenses to sell intoxicating liquor by the drink at retail for consumption on the premises pursuant to the provisions of this chapter who furnish provisions and service for use at a particular function, occasion, or event at a particular location other than the licensed premises, but not including a "festival" as defined in chapter 316, RSMo. The special license shall be effective for a maximum of fifty days during any year, and shall authorize the service of alcoholic beverages at such function, occasion, or event during the hours at which alcoholic beverages may lawfully be sold or served upon premises licensed to sell alcoholic beverages for on-premises consumption. For every special license issued pursuant to the provisions of this subsection, the licensee shall pay to the director of revenue the sum of five hundred dollars a year payable at the same time and in the same manner as its other license fees.**

**2. The supervisor of alcohol and tobacco control may issue a special license to caterers and other persons holding licenses to sell intoxicating liquor by the drink at retail for consumption on the premises pursuant to the provisions of this chapter who furnish provisions and service for use at a particular function, occasion, or event at a particular location other than the licensed premises, but**

not including a "festival" as defined in chapter 316, RSMo. The special license shall be effective for an unlimited number of functions during the year, and shall authorize the service of alcoholic beverages at such function, occasion, or event during the hours at which alcoholic beverages may lawfully be sold or served upon premises licensed to sell alcoholic beverages for on-premises consumption. For every special license issued pursuant to the provisions of this subsection, the licensee shall pay to the director of revenue the sum of one thousand dollars a year payable at the same time and in the same manner as its other license fees.

3. Caterers issued a special license pursuant to subsections 1 and 2 of this section shall report to the supervisor of alcohol and tobacco control the location of each function three business days in advance. The report of each function shall include permission from the property owner and city, description of the premises, and the date or dates the function will be held.

4. Except as provided in subsection 5 of this section, all provisions of the liquor control law and the ordinances, rules and regulations of the incorporated city, or the unincorporated area of any county, in which is located the premises in which such function, occasion, or event is held shall extend to such premises and shall be in force and enforceable during all the time that the licensee, its agents, servants, employees, or stock are in such premises. Except for wines in the original package, the provisions of this section shall not include the sale of packaged goods covered by this special license.

5. Notwithstanding any other law to the contrary, any caterer who possesses a valid state and valid local liquor license may deliver alcoholic beverages, in the course of his or her catering business. A caterer who possesses a valid state and valid local liquor license need not obtain a separate license for each city the caterer delivers in, so long as such city permits any caterer to deliver alcoholic beverages within the city.

6. To assure and control product quality, wholesalers may, but shall not be required to, give a retailer credit for intoxicating liquor with an alcohol content of less than five percent by weight or nonintoxicating beer delivered and invoiced under the catering license number, but not used, if the wholesaler removes the product within seventy-two hours of the expiration of the catering function.
